# Samba

**A+**  
energy  
rated

 **NECTA**

**A fantastic wide range of choice.** From snacks to sandwiches, up to all can and bottle formats, **Samba** offers maximum flexibility in dispensing thanks to an innovative technology for product distribution and dispensing. The design is studied to guarantee an intuitive and user-friendly interface. The attractive and high-impact aesthetics is characterised by an elegant aluminium side panel with a black insert made of bright polycarbonate. The large LED-lit glass front and the new dispensing compartment with automatic opening complete the image of the vending machine.

Its great easiness of maintenance completes the offer of this new Necta vending machine, which is bound to become a well-established point of reference on the market for the years to come. Samba: there is rhythm in the Vending sector.
